LEGAL DEPARTMENT.

It appears from these papers that a draft Notification amending Government Notification No. WMA-1051 dated the 30th April 1951 has already been issued. Under that draft notification it is intended to substitute new entries for certain original entries in Column 2 of the Schedule to the original Notification. It is ~~x~~ further proposed to amend the original notification for the purpose of substituting new entries for some other entires in Column 2 of the original Notification. Since there is no time to issue a preliminary notification straightway without giving an opportunity to the public for their objections or suggestions. As this is likely to cause some confusion it would be desirable to issue an altogether fresh notification in supersession of the original notification of 30th April 1951. A draft of this notification is accordingly sent herewith.

2. Since the intention is to bring the proposed notification into force with effect from the 1st September 1951, there is hardly any time left for the notification to reach the traders and the general public. It is, therefore, suggested for the consideration of the Development Department whether in addition to its publication in the official Gazette the notification should not also be published in a few leading newspapers having a sufficiently wide circulation in the State of Bombay.

LEGAL DEPARTMENT.

The Government has now decided that instead of taking advantage of the loophole indicated in the R.L.A's opinion No. 12760, dated the 8th August 1951, it would be far more satisfactory to issue formal exemption orders under section 46 of the Bombay Weights and Measures Act, in respect of transactions relating to payment of rent in kind m for land. The object in view is that the provisions of section 11A of the Act should not apply to transactions relating to payment of rent in kind in order that the notification issued thereunder should not also apply to such transactions. The same object can be achieved by amending the D.D.Notification No. W.M.A.1051, dated the 30th August 1951 (which has superseded the notification of 30th April 1951) to the effect that nothing in the said notification shall apply to transactions relating to payment of rent in kind for land. A requisite draft notification is sent herewith. The Development Department should consider whether the amendment of the notification itself in the manner suggested in the draft would not serve the purpose.
